

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF EAST KENTUCKY POWER)	
COOPERATIVE, INC. TO ADJUST)	CASE NO. 94-336
ELECTRIC RATES)	

O R D E R

On July 27, 1995, East Kentucky Power Cooperative, Inc. ("East Kentucky") filed a motion requesting the Commission to amend its July 25, 1995 Order to provide that the new rates approved therein will be effective for service rendered on and after August 1, 1995 rather than the date of the Order. East Kentucky cites the complexities of its billing procedures and those of its distribution cooperatives and characterizes mid-month rate changes as difficult, time consuming, and confusing.

Based on the motion and being otherwise advised, the Commission finds that the amount of the rate decrease ordered by the July 25, 1995 Order is significant and East Kentucky's distribution cooperatives and their retail ratepayers are entitled to the benefits of lower rates without delay. The Commission is confident that East Kentucky and its distribution cooperatives will be able to implement the rate reduction as ordered.

IT IS THEREFORE ORDERED that East Kentucky's motion be and it hereby is denied.

Done at Frankfort, Kentucky, this 28th day of July, 1995.
